Dear Dayton:

As per our conversations, I am writing to thank you for your generous offer to donate your prototype Timetrack Camera and associated materials to the Photographic History Collection. It is with great pleasure that we accept your offer, and look forward to meeting you and receiving the camera.

I have begun talking with the Museum's Public Affairs office to discuss the possibility for having you officially present the camera to us at a morning reception for the press. I will keep you informed of my discussions with Melinda Machado, head of Public Affairs.

Once again, thank you for your interest in the national collections. Your kindness is greatly appreciated.

Sincerely,

Michelle Anne Delaney
